RAJKIYA ENGINEERING COLLEGE SONBHADRA

(An AICTE Approved Government Engineering College)

INTERNATIONAL CONFERENCE ON RECENT ADVANCES IN SCIENCE & ENGINEERING

RASE 2021

February 26-27, 2021

COORDINATORS

Dr. Harishchandra Upadhyay
Assistant Professor, Chemistry
Department of Applied Sciences

Dr. Udaya Pratap Singh
Assistant Professor, Mathematics
Department of Applied Sciences

ABOUT THE COLLEGE

Rajkiya Engineering College, Sonbhadra was established by the Government of Uttar Pradesh in the year 2015 with one branch, Computer Science & Engineering with annual intake of Sixty (60). Later on, in 2016 two new branches Electrical Engineering and Electronics Engineering with intake of 60 each have been started. The college has been shifted to its own fully residential campus located at Churk, Sonbhadra in the month of July 2017 and all academic activities from the session 2017-18 are conducted from its own campus. The fully residential campus consists of two Academic Buildings, Administrative building, Workshop, Hostels (Boys and Girls), Student Activity Center, College Canteen, Grocery Store, round the clock Wi-Fi, electricity & water supply and other facilities for recreation.

CONFERENCE OBJECTIVES

Science and engineering hold the key to provide sustainable technologies to meet the ever-growing needs of the society in all sectors. The international conference on Recent Advances in Science and Engineering is being organized by Rajkiya Engineering College Sonbhadra (An AICTE Approved Government Engineering College affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Uttar Pradesh), scheduled on February 26-27, 2021. The conference is planned with a motivation to provide an excellent international platform to persons belonging to academia, industries and research institutions for knowledge sharing and exchange of latest research ideas about recent progress and future directions in various fields of science and engineering for the development of excellent technologies. Besides providing a platform to present the research, the conference would offer a large number of invited lectures from renowned speakers all over world. The selected papers will be published in Scopus/UGC Indexed Journal as conference proceeding. Best Paper awards will be given for the papers judged to make the most significant contribution to the conference.

CONFERENCE TRACKS

Chemical & Pharmaceutical Sciences

Chemistry. All broad areas including environmental, green chemistry & wastewater treatment.

Novel materials. Nanomaterials, Energy materials, Liquid crystals, Ionic liquids, Polymers etc.

Drug discovery and Delivery. Medicinal chemistry, Computational Chemistry, Natural products chemistry, SAR, Nanomedicine, Drug design and related medical devices.

Physical Sciences

All broad areas of physics including condensed matter physics, computational physics, nanotechnology, plasma spectroscopy, nonlinear optics, high energy physics.

Mathematical Sciences

Pure mathematics
Applied Mathematics
Computational Mathematics
Optimization and Operations Research
Statistics

Engineering & Technology

All branches of engineering and technology including industrial production & management, and IoT.

EXHIBITION

Sponsoring organizations are invited to exhibit their projects and related products during the conference.

VENUE

Conference will be held in dual mode (online and in-campus) at the premises of Rajkiya Engineering College Sonbhadra.
