

Prof. Geetam Singh Tomar, received UG, PG, and Ph. D. degrees in electronics engineering from Institute of Engineers Calcutta, REC Allahabad and State Technology Univ Bhopal, respectively and Post Doctoral Fellowship from University of Kent, UK in Computer Engineering. Prior to joining this institute he has served as Director, Birla Institute Bhimtal, THDC IHET Tehri (Govt of Uttarakhand Institute), Director of SRCCEM, VITM and MITM Gwalior. Faculty in MITS and IITM Gwalior. Faculty in University of Kent and University of West Indies. Apart from this served for

17 years in Indian Air Force before joining academics in year 2001.

Awards: International Pluto award for academic achievements in 2009 from IBC, Cambridge UK.

Top 100 Academician of the world for year 2009 and 2013, U.K.

Recognitions: IEEE Senior Member, Fellow IETE and IE (I) member ACM (USA), CSI and ISTE, Chairman, IETE Gwalior and IEEE MP Subsection.

Publications:

07 Patents, 12 books, 10 book chapters, more than 200 research papers

Sponsored Projects: Completed 05 sponsored projects

Consultancy: China and Korea since 2015 and still in continuation

Visiting Faculty: for 2 universities abroad presently

Member, Working group setup to finalise IEEE Standard; *ISO/IEC/IEEE 21451-1-4.*

Member of Technical committee IEEE SMC and Industrial Electronics.

Organised more than 45 IEEE Conferences in 7 countries

Foreign visits: Approximately 80

Editor in chief – more than 5 presently

Guidance: 06 Ph.D. awarded, 02 Submitted, 05 in progress

Research Area: Cognitive Radio Networks, Digital System Design, Wireless Sensor Networks, Future Computing
